28 March 1967

Dear Dr. Carver:

The National War College seminars on various regions of Asia conducted on 27 March were a great success. Although I did not attend your session on the Viet Cong and the National Liberation Front I understand it was very interesting, quite stimulating and that the discussion with your group kept you quite busy.

On behalf of The National War College I extend our grateful appreciation for your time and effort given to us. We will be looking forward to a return visit.

Sincerely yours,

FITZHUGH LEE
